UPDATE ON HAITI

The tragedy in Haiti has touched us all very deeply. We continue to pray for the people of Haiti, their leaders and the emergency and humanitarian aid workers. Conference Consistory voted to send \$5,000 from the Disaster Fund directly to Haiti, in addition to more than \$13,000 from individuals and our local churches. Thank you so much for your generosity and support.

In response to many requests, the Disaster Committee of PSEC is organizing a mission trip to Haiti. If you are interested in traveling to Haiti, you will need: a passport, immunizations (ask your doctor), and money to cover the cost of travel expenses. If you would like more information, or if you know that you are interested in going to Haiti in approximately 3-4 months, please send your contact information to Rev. Fred Diehl (church: 610-562-2593; cell: 610-207-6115; or diehl.fred@gmail.com).

PRAYER PARTNERS - Your prayers are welcomed today for the congregation and ministry of Christ UCC, Barnesville, and the Rev. Janet L. Kline.
